Curve

The Curve range is at the cutting edge of technology and style. Designed to suit the latest and largest curve screens, its ingenious shape looks bespoke with any width of set. The outer frame matches the width of 65” TV where as the suspended inner cabinet lines up perfectly with a 55”. Its dynamic looks don’t compromise as the cabinet can easily hold large AV units with wide sound bars on the shelf above. Every element from slanting sides to tapered top are all styled to emphasize this dramatic panorama.
